Vita-Pakt Citrus Products Company is a manufacturer and processor of a wide variety of standard, customized, and unique blended specialty products. We develop and process these high quality products by their analytical characteristics of each of its components and its entirety including but not limited to brix, citrus oil content and pulp. They include, peel in juice, peel in sweetener, juice with peel, pulp, citrus oil or added citric acid, or other combination.

*Limited availability during optimal seasons.

*All pictures shown are for illustration purposes only. Actual product may vary from processing and seasonal fruit variation.
